Our Speakers - Sal Minty-Gravett President Jersey Long Distance Swimming Club

Sally is going to present a talk she's titled 'Sink or Swim' at the Global Open Water Swimming Conference. It's about her growing group of young OWSwimmers on Jersey Island. She's been consistently encouraging her swimming pupils to take to the sea and the fruits of her labour are beginning to turn them into around Jersey relay swimmers. 'The Jersey Rookeez' are due to swim a 5 person relay hopefully week beginning 19th August.

Sally has just completed her 5th English Channel crossing which launches her into the record books as the first woman (possibly first person?) to swim the channel in 5 decades.

Well done Sally - another epic swim and valiant attempt.

Ossi thinks her 2020 slot is already booked 😊

Come to meet and hear Sal in Cork.
